

DUBAI CUSTOMS UPDATE:

Declaration processing of High Value Exports through Courier

As per Dubai Customs notice NO. (8/2010) titled "Clearing process and procedures for courier companies shipments" and to adhere with Dubai Customs strategic plan and objectives to facilitate the swift customs clearance of goods, all shipments exported from Dubai with a **declared value of AED1000** and above will require a customs export declaration.

Please Note this is effective as of November 1st 2017

The export declarations will incur the following charges:

- Shipments moving within GCC 70 AED per shipment
- Shipments moving outside of the GCC 120 AED per shipment

Additionally, please note that Elite Airborne Express LLC will charge an administrative fee for processing all shipments.

Shipments originating from Dubai Free Zones will continue to be subjected to the existing Free Zone export declaration charges.

To ensure we can process your export declarations as efficiently as possible we request that you provide a detailed commercial invoice containing the following information:

- Local Exporter Code (only if shipment value is above AED1000)
- HS Code
- Product description
- Value
- Currency
- Country of Origin

For any inquires or information please do not hesitate to contact your Sales Representative.

We thank you for your understanding and continued support.
